

## **24.07.2023 - alık Holding Became the Gold Sponsor of DEİK Gulf Countries Business Forums**

alık Holding became the gold sponsor of the business forums organized by the Foreign Economic Relations Board (DEİK) in Saudi Arabia, Qatar and the United Arab Emirates (UAE), in which the President Recep Tayyip Erdoğan was present. alık Holding Chairman Ahmet alık and the senior executives of the Group also attended the forums, which were held with 3 countries with a national income of 1.8 trillion dollars and attended by more than 200 Turkish businesspeople, and made agreements.

In the meetings where cooperation agreements in sectors such as contracting, digital technologies, energy, tourism, health, food, agriculture, transportation, and finance were discussed, mutual investments in the short term were also broached. Increasing mutual trade with the countries in the region, joint investment opportunities, and joint investment opportunities in other countries, especially in Africa, were also on the agenda.
